15. Conservation of energy, technology absorption and foreign exchange earnings and outgo

A. CONSERVATION OF ENERGY:

a) Steps taken or impact on conservation of energy:

1. Replaced 2 nos. conventional lights (street lights) of 85 watts each with led lights of 40 watts each.
2. Replaced 2 nos. conventional pumps of 740 Watts each in gardening area with monoblock pumps of five star rating.

Impact of 1&2 above:

Power consumption in eight hours with:

- conventional lights: $2 \times 85 \times 8 = 1360$ watts
 - conventional pumps: $2 \times 740 \times 8 = 11640$ watts
- Total = $11640 + 1360 = 13000$ watts

Power consumption with led lights in eight hours = $2 \times 40 \times 8 = 640$ watts

Pumps consumption with five star rating in eight hours = 10480 watts

Total = $10480 + 640 = 11120$ watts

Energy saving in eight hours = $13000 - 11120 = 1880$ watts or **1.88 k.w**

RISK MANAGEMENT POLICY

LEGAL REQUIREMENTS:

The Company's business is exposed to various risks, arising out of internal and external factors. This document lays down the Risk Management Policy of the company, which identifies and evaluates various risks and mitigating efforts to resolve such risks. The company has laid down procedure for risk assessment and risk minimization.

The Board of Directors, Senior Management and the Audit committee of the company should periodically review the policy and monitor its implementation to ensure risk minimization and smooth running of the business. This policy will cover all the areas of operations of the Company.

FRAMEWORK:

Risk Management is considered a vital and important function of the Corporate Governance practices. At SSWML, Senior Executives of the Company, CEO, CFO, Executive director are responsible for risk management. Risk Management policy is formulated to ensure robust internal controls, and enable the Company to proactively respond to any changes in the business environment so as to achieve a high degree of business performance, limit any negative impact on its working and capitalize on any business opportunities.

OBJECTIVES OF THE POLICY:

The main objective of the policy is to ensure sustainable business growth with stability, plan and meet strategic objectives, improve the business processes and evaluate, tackle and resolve various risks associated with the business management of the Company.

In order to achieve this key objective, the policy establishes a structural and disciplined approach to risk management, which helps in arriving at correct solutions for various risks related issues.

The specific objectives of the Risk Management Policy areas under:

1. To identify and assess various business risks arising out of internal and external factors that affects the business of the Company.
2. To work out methodology for managing and mitigating the risks.
3. To establish a framework for company's risk management process and implement the same.
4. To follow best industry practices to ensure total compliance of all the regulatory matters.
5. To take adequate steps for smooth running of business, arrange for cover against currency fluctuation for imports and exports and assure sustainable and profitable growth for the Company.

BOARD REPORT:

The report of Board of Directors will include details about the development and implementation of Risk Management Policy and this will cover identification of various risks, arising out of internal and external elements, as faced by the Company and the mitigating efforts for tackling the same.

KEY BUSINESS RISKS:

The H.P State Government has development the industrial corridor in various areas, significantly in District Solan, Sirmour, Una, Kangra, Bilaspur and Kullu. This industrial growth has led to continuous increase in generation of Hazardous waste. The ability to manage and control the disposal of industrial waste keeps pace with the expansion of industries. Hazardous waste and its related environmental problems have been recognized by the State Government State Pollution Control board in the year, 2000. HPSPCB took the initiative of identifying a site for developing common Hazardous Waste Treatment Storage and Disposal Facility. The BBNIA formed Special Purpose vehicle (Shivalik Solid Waste Management Limited) to set up and operate Treatment Storage Disposal Facility (TSDF). United Phosphorus Limited was appointed a joint partner with 51% and 49% (UPL AND BBNIA) Equity ratio for setting up this facility. Risks relate to inherent characteristics of the industry such as indifferent attitude of industry to supply waste, erratic supply of Hazardous and other waste by the industrial units to the Company. The Company is set up for collection of hazardous waste from Himachal Pradesh Industrial areas but the supply of waste is below the Break Even point which is the main risk. Till such time we get waste above the Break Even Point, the Company is under serious threat of risk. The H.P. Pollution Control Board has taken up some corrective measures to improve upon the supply of waste to the Company. Without the active support and co-operation of the State Government and State Pollution Control Board, the existence of the Company is under peril.

Competition: Risks arising out of competitive forces in the market i.e. authorization by the State Government to local kowaris to collect non hazardous waste and drums affect profitability of the Company.

Inputs: Risks arising out of inadequate availability of waste to company from the local industries.

Geography: Risks relating to excessive dependence on one geographical location i.e. only State of Himachal Pradesh which can impact revenues.

Regulations: Risks relating to inadequate compliance to regulations worldwide and non-compliance arising out of failure to address changes in government policies from time to time, resulting in cancellation of registration of some products.

MEASURES TAKEN BY THE COMPANY TO REDUCE RISK

Keeping in view the local industries attitude and erratic supply of Hazardous waste which has severely affected the profitability and financial position of the Company, the Management of the Company has added the following new areas to arrest the losses and reduce the risk.

- Multiple Effect Evaporators
- Empty used drums
- Environment Monitoring & laboratory Analytical Services
- Waste oil and paint sludge
- E- waste & CFL
- Used Lead Acid batteries
- Environment impact Assessment (EIA)
- Environment Consultancy.
- Environment Statement.
- Energy audit

IMPLEMENTATION OF THE SCHEME:

The Board and the senior executives of the Company will oversee the implementation of the Policy. On quarterly basis, the Board will be updated on key risks faced by the Company and the mitigating actions taken to resolve them. The functional managers at all locations will be responsible for identifying and assessing the risks within their areas of responsibilities and actions agreed beforehand to resolve such risks. They will report for any new risk or changes in the existing risk.

REVIEW:

The Policy shall be reviewed from time to time to ensure that it complies fully within the legislation.

Independent Auditor's Report
To the Members of Shivalik Solid Waste Management Limited

Opinion

We have audited the accompanying Standalone Financial Statements of Shivalik Solid Waste Management Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss, the Statement of Cash Flows, and notes to the Standalone Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and

completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate Internal Financial Controls with reference to Standalone Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of

accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub section 11 of Section 143 of the Companies Act, 2013, we give in the "Annexures A" a statement on the matters specified in paragraph 3 and 4 of the said Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

ANNEXURE -B TO INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Shivalik Solid Waste Management Limited** ("the Company") as of 31st March 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting (IFCoFR) based on our audit.

We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

T R Chadha & Co., a partnership firm converted into T R Chadha & Co LLP
(A limited liability partnership with LLP Identification No. AAF-3926) with effect from 28th December, 2015

Regd. and Corporate Office : B-30, Connaught Place, Kuthiala Building, New Delhi - 110001
Phone : +91-11-43259900, 41513059, 41513169 Fax : 43259930, E-mail : delhi@trchadha.com

A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SHIVALIK SOLID WASTE MANAGEMENT LIMITED

Notes forming part of Financial Statements for the year ended March 31, 2019

Note 1. Corporate Information, Basis of Preparation of Financials and Significant Accounting Policies

1.1 Background of the Company:

Corporate Information

Shivalik Solid Waste Management Limited ("the Company"), having CIN number U33130HP2005PLC028806, was incorporated on August 11, 2005 having its registered office at Village Majra, P.O. Dabhota, Tehsil Nalagarh, Distt. Solan, Himachal Pradesh- 174 101.

The Company has been set up on leased land acquired from Government of Himachal Pradesh (GoHP) for dumping of Solid Wastes produced by member companies in their manufacturing and other processes.

1.2 Basis of Preparation

a. The financial statements have been prepared to comply in all material respects in respects with the Accounting standard specified under section 133 of Companies Act 2013 (herein referred the "Act"), read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and Companies (Accounting Standards) Amendment Rules, 2016. The financial statements have been prepared under the historical cost convention on an accrual. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

b. Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is classified as current if:

- It is expected to be realised, or is intended to be sold or consumed, in the normal operating cycle; or
- It is held primarily for the purpose of trading; or
- It is expected to realise the asset within 12 months after the reporting period; or
- The asset is a cash or equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period.

All other assets are classified as non-current.

Similarly, a liability is classified as current if:

- It is expected to be settled in the normal operating cycle; or
- It is held primarily for the purpose of trading; or
- It is due to be settled within 12 months after the reporting period; or
- The Company does not have an unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. Terms of a liability that could result in its settlement by the issue of equity instruments at the option of the counterparty does not affect this classification.

All other liabilities are classified as non-current.

Deferred tax assets/liabilities are classified as non-current.

c. Use of Estimates :

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Dehya Sharma

SHIVALIK SOLID WASTE MANAGEMENT LIMITED

Notes forming part of Financial Statements for the year ended March 31, 2019

1.3 Significant accounting policies

A summary of the significant accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all periods presented in the financial statements.

a Property, Plant & Equipment :

a.1 Initial recognition and measurement

The gross block of the Property, Plant and Equipment's are stated at cost of acquisition or construction including any cost attributable to bringing the asset to their working condition for their intended use, less accumulated depreciation and accumulated impairment in value. Element of Cost: Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of fixed assets which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

a.2 Basis of Measurement after Recognition

After recognition as an asset, the Company follows "Cost Model" i.e. an item of property, plant and equipment is carried at its cost less any accumulated depreciation and any accumulated impairment losses.

a.3 Impairment

The carrying values of Property, Plant and Equipment's are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

a.4 Derecognition

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in Statement of Profit & Loss in the year the asset is derecognised.

The asset's residual values, useful lives and methods are reviewed, and adjusted if appropriate, at each financial year end.

b. Intangible Assets :

b.1 Initial recognition and measurement

The company has classified Computer Software as Intangible Assets . The value of the Intangible asset was measured and recognized on the date of purchase at the cost of purchase.

b.2 Derecognition

An intangible asset is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of intangible assets are determined by comparing the proceeds from disposal with the carrying amount of intangible assets and are recognized in the statement of profit and loss.

c. Depreciation & Amortisation:**c.1 Depreciation on Property, Plant and Equipment's**

Depreciation on Property, Plant and Equipment's is provided on the Diminishing Balance Method (earlier referred as Written Down Value - WDV method) rates over the useful lives as prescribed in the Schedule II to the Companies Act, 2013.

Depreciation on additions to/deductions from property, plant & equipment during the year is charged on pro-rata basis from/up to the month in which the asset is available for use/disposed.

Nature of Assets	Useful life
Building	30 years
Plant & Machinery	15 years
Lab Instrument	10 years
Motor Vehicles	8, 10 years
Computer	3 years
Electrical Installation	10 years
Office Equipment	5 years
Furniture & Fixture	10 years

c.2 Amortisation:

Cost of software recognized as intangible asset, is amortized on straight line method over a period of legal right to use or 3 years, whichever is less, as per the AS-26.

d. Impairment

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

e. Research and Development

Research and Development expenditure is charged to revenue in the year in which it is incurred.

f. Lease**f.1 Where the Company is the Lessee**

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

g. Government Grants

Grants and subsidies from the government are recognized when there is reasonable assurance that the grant/subsidy will be received and all attaching conditions will be complied with.

When the grant or subsidy relates to an expense item, it is recognized as income over the periods necessary to match them on a systematic basis to the costs, which it is intended to compensate. Where the grant or subsidy relates to an asset, its value is deducted in arriving at the carrying amount of the related asset.

Government grants of the nature of promoters' contribution are credited to capital reserve and treated as a part of shareholders' funds.

h. Inventories

Inventories are valued as follows:

h.1 Stores and spares

Lower of cost and net realizable value. Cost is determined on First-in-First-out (FIFO) basis and includes all applicable cost incurred in bringing goods to their present location and condition.

h.2 Work-in-progress

Cost of land and expenditure incurred on the construction of pits are debited to Work-in-progress. The proportion of the area / space consumed during the year upon the dumping of solid wastes as compared to total capacity of the land and pits is taken as the basis for charging the above to the Statement of profit and loss and the balance cost of the land and pits are carried forward at cost as Work-in-progress. Cost of development of land for is accounted as cost of work-in-process, being pre-production expenses.

i. Revenue Recognition :

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue comprises:

Income from Services

Revenues from services are recognized as and when the services are rendered.

Interest income

Revenue is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

j. Retirement and other employee Benefits

j.1 Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into separate entities and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution plans are recognized as an employee benefits expense in profit or loss in the period during which services are rendered by employees.

Contributions to defined contribution schemes such as Provident Fund, etc. are charged to the Statement of Profit and Loss, as and when incurred.

j.2 Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. Benefits under Gratuity is defined benefit plan.

The Company's net obligation in respect of defined benefit plans is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service costs and the fair value of any plan assets are deducted. The discount rate is based on the prevailing market yields of Indian government securities as at the reporting date that have maturity dates approximating the terms of the Company's obligations and that are denominated in the same currency in which the benefits are expected to be paid. The calculation is performed annually by a qualified actuary using the projected unit credit method.

j.3 Other long-term employee benefits

Benefits under the Company's leave encashment constitute other long term employee benefits.

The Company's net obligation in respect of leave encashment is the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any related assets is deducted. The discount rate is based on the prevailing market yields of Indian government securities as at the reporting date that have maturity dates approximating the terms of the Company's obligations. The calculation is performed using the projected unit credit method. Any actuarial gains or losses are recognized in profit or loss in the period in which they arise.

j.4 Short-term benefits

Short-term employee benefit obligations are employee benefits which fall due wholly within twelve months after the end of the period in which the employees render the related service are recognised at the amount expected to be paid for it.

k. Accounting for Taxes on Income :

Tax expense comprises of current and deferred tax.

Provision for current tax represents the amount that would be payable based on computation of tax as per the provisions of the Income Tax Act, 1961. Current tax is determined based on the amount of tax payable in respect of taxable income for the year after taking into consideration benefits admissible under the Income Tax Act, 1961.

Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each balance sheet date the Company re-assesses unrecognised deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

l. Earnings per share :

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

m. Provisions :

A provision is recognised when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date.

n. Pit cover expenditure and Post Closure Expenditure

A provision is recognised when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date.

Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date.

n. Contingent liabilities :

Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Contingent liabilities are disclosed on the basis of judgment of the management/independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

o. Cash and Cash Equivalents:

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.
